

Fred Nicholas

Returns to D.T.

A former SC journalism student, assistant editor of this paper, and Trojan Knight returned as one with the appearance here yesterday of Lt. Fred Nicholas who has just graduated from Ft. Oglethorpe, Ga., as an infantry officer.

Lieutenant Nicholas was drafted last October while acting as assistant editor of the Trojan. He, Stan Gortikov, Emory Thurston, and Mike Minnick were staff officers on the paper, at the time, and now all four of the men hold commissions in some branch of the armed service.

Lieutenant Nicholas, TEP, fraternity brother, will report at Ft. Douglas, Utah, for his assignment.
